## ZULTYS APPOINTS COMSYS TO PRESTIGIOUS DEALER COUNCIL POSITION

*Firm recognized for achievement and industry expertise with key advisory role*

GAINESVILLE, FL — May 27, 2010 — ComSys today announced it has been appointed by Zultys, Inc., a leading provider of Unified Communications and VoIP Business Phone Systems since 2001, to a position of adviser on the Zultys Dealer Council. The appointment recognizes ComSys' industry knowledge, experience and contribution to Zultys in the marketplace with a leadership role among Zultys' partner base.

"Zultys is very pleased to recognize the contribution ComSys has made with this appointment to our Dealer Council," said Neil Lichtman, Chairman and CEO of Zultys. "They have proven themselves to be experts in understanding what their business customers really need, and then implementing Zultys Unified Communications solutions to help them increase profitability and boost productivity. We are looking forward to leveraging their experience base and insight for the betterment of all our channel partners."

"We are honored to be included among the handful of VARs working with Zultys on the Dealer Council. We hope our experience can help make Zultys' great products even more compelling, and more competitive, providing

our customers with the highest quality solutions they need to be successful," said Donald Bugos, President of ComSys.

### ABOUT COMSYS

The history of Communication Systems, Inc. (dba ComSys) dates back to 1981. ComSys is North Central Florida's most customer-oriented business telephone and data communications company – providing commercial customers with a single point of contact for quality, cost effective, converged communication solutions.

ComSys is committed to establishing lasting business relationships with their clients. The company's goal is maximum customer satisfaction through total customer service.

ComSys provides its customers with industry leading products serviced by Factory Certified technicians. Customers are thoroughly trained in every component of their system by ComSys' highly experienced customer service team.

The company's local dispatch and warehouse center delivers round-the-clock parts and service availability to ensure system reliability. ComSys also offers comprehensive service 24 hours a day, 7 days a week and emergency

service with guaranteed response times.
