

## **ZULTYS RECOGNIZES COMSYS FOR MOST OUTSTANDING CUSTOMER SERVICE OF THE YEAR AT THE TAG 2011 CONFERENCE**

*Comsys Recognized for High Level of Customer Service and Expertise*

GAINESVILLE, FL – April 19, 2011 – Communication Systems (dba ComSys) of Gainesville, Florida, today announced that Zultys, Inc., a premier provider of innovative unified communications solutions that empower businesses to collaborate effectively, has recognized ComSys as a top performer of the year at the 2011 Technology Assurance Group (TAG) National Conference.

ComSys, a TAG member since 2003, became a Zultys dealer in 2009 and quickly established itself as an aggressive, skilled channel partner of Zultys.

ComSys has been helping businesses meet their IP telephony and unified communication needs since 1981, and is committed to establishing and maintaining a dynamic partnership with every customer.

“We’re honored to be recognized as the Zultys Top Customer Service Provider of the Year, worldwide, at this year’s 2011 TAG Conference,” said Don Bugos, President and CEO of ComSys. “Zultys offers a superior IP phone and Unified Communications solution that helps our customers meet their communications needs, boost productivity and save money. We’re more than pleased to be working with Zultys and look forward to another great year

representing their solution to our customers.”

“Zultys is very pleased to recognize ComSys for its outstanding commitment to their customers and deep level of Zultys system expertise,” said Neil Lichtman, Chairman and CEO of Zultys. “They have proven themselves to be a very skilled and committed partner, and we look forward to working with them over the course of the year to help them meet their customers’ needs.”

### **ABOUT COMSYS**

The history of Communication Systems, Inc. (dba ComSys) dates back to 1981.

ComSys recognizes the critical need for a solutions provider that combines leading edge technology with quality service and support. Our position as an industry leader is based on these principles.

ComSys is one of a select few converged solution providers nationwide that qualify to be a Technology Assurance Group (TAG) member.

The company is North Central Florida’s most customer-oriented business telephone and data communications company – providing commercial customers with a single point of contact for quality, cost effective, converged voice and data solutions. ComSys is committed to establishing lasting business relationships with their clients. The company’s goal is

maximum customer satisfaction through total customer service.

ComSys’ local dispatch and warehouse center delivers round-the-clock parts and service availability to ensure system reliability. ComSys also offers comprehensive service 24 hours a day, 7 days a week and emergency service with guaranteed response times.
