ComSys Invited to Speak at Technology Assurance Group's Annual Convention

*Leading Managed Technology Services
Provider to Share Business Expertise
and Technology Foresight with
Organizations Throughout the U.S.
and Canada*

GAINESVILLE, FL – October 15, 2021 - ComSys a leading managed technology services provider (MTSP), was recently invited to speak at Technology Assurance Group's 20th Annual Convention in Dallas, Texas. Technology Assurance Group (TAG) is an organization of MTSPs representing over \$700 million in products and services. TAG is inviting industry leaders to discuss the future of the industry, new technologies and best practices to empower small to mid-sized businesses (SMBs) to leverage technology to enhance productivity and increase profitability. The event is invitation-only and ComSys has been asked to share its expertise with the rest of the industry to keep MTSPs operating at their fullest potential. The event will take place at the Hyatt Regency on November 6-10, 2021.

"It is an honor to be selected for this event and be among the best technology companies," stated Donald Bugos, President of ComSys. "It's always a privilege to share our knowledge as we help push the industry forward. We are

looking forward to sharing our insights on how technology is evolving and most importantly, how that will impact our customers' businesses. We have a culture of being proactive and the information we gain from the TAG convention is one of the ways we keep our customers ahead of the curve when it comes to technological innovation. We always leave with new ideas, technologies and solutions that have the capacity to better protect, streamline or delight our customers."

"ComSys is a premier Member within the TAG organization and is revered by the business community for their expertise on developing strong customer relationships," commented Brian Suerth, President of TAG. "ComSys focuses on advancing their customers' businesses through technology with a consultative approach. As a result, they have a phenomenal reputation of exceeding customers' expectations. They are a true leader and highly respected by their peers."

The TAG convention will bring in the best minds in managed technology services from all parts of the United States and Canada to ensure that the dialogue and knowledge transfer is rich. ComSys serves businesses that are looking

for innovative technology solutions to take them to the next level.

ABOUT COMSYS

The history of Communication Systems, Inc. (dba ComSys) dates back to 1981.

The company is North Central Florida's most customer-oriented business technology solutions company - providing commercial customers with a single point of contact for quality, cost effective, converged voice and data solutions. ComSys recognizes the critical need for a solutions provider that combines leading edge technology with quality service and support, and, is committed to establishing lasting business relationships with their clients. The company's goal is maximum customer satisfaction through total customer service. ComSys is one of a select few converged solution providers nationwide that qualify to be a Technology Assurance Group (TAG) member.

ComSys provides VoIP Telephone Systems, Hosted Phone Systems, Call Center Solutions, Video Solutions, Structured Cabling and Wiring to businesses throughout the Gainesville, Ocala, Lake City and Leesburg areas. Our National Services Network can support and deliver our full range of products

and services almost anywhere in the United States.
