## ComSys Receives Award for Outstanding Community Service

*Technology Assurance Group Awards  
Leading Technology Provider at their  
20<sup>th</sup> Annual TAG Convention*

GAINESVILLE, FL — November 2021— ComSys a leading managed technology services provider, announced today that the company received Technology Assurance Group's Outstanding Community Service award at the 20<sup>th</sup> Annual TAG Convention held in Dallas, Texas. Technology Assurance Group (TAG), an organization of leading managed technology services providers in the United States and Canada representing \$800 million in annual products and services, selected ComSys for their outstanding community service with the Alachua Habitat for Humanity. ComSys accepted the award at the prestigious awards ceremony attended by the dominant forces in managed technology services, including TAG's Member companies and leading technology manufacturers.

The award is based off the amazing efforts that Don and his team have put towards supporting their community, including building affordable housing for Habitat for Humanity families. Among these donations, they have also donated their time.

As Don reflects on their work, he said, "We have been doing this for many years, and we couldn't imagine stopping. Through our work, we hope to inspire those within our community to live happy and fulfilling lives."

"Through Don's compassion and effort, we are reminded that

everyone is capable of bettering the lives of those within their communities," stated Brian Suerth, President of TAG, "We are proud to have ComSys as a part of our business community, and we hope that others within our industry will follow their example."
